## **SMART Toddler Charity Yoga Class**

The Yoga class held on July 9th 2010 in Hong Kong was an overbooked, fun-filled event where both mum and tot flowed, sang and played from pose to pose creating a memorable bonding experience. The event was donation based with proceeds benefitting "KIDS for Kids".

### **WHO ARE KIDS FOR KIDS?**

KIDS for Kids was founded by women who met and supported each other through, the Geobaby Forum while pregnant in 2007. The group currently has members with origins from almost every continent in the world. In celebration of our Babies' 1st birthdays between September and December 2008, we honoured them with a legacy to directly impact the lives of children in need. To do this we decided to begin volunteering and raising money for the Hong Kong Society for the Protection of Children (HKSPC) Children's Residential Home.

### **ABOUT THE CHILDREN'S RESIDENTIAL HOME**

The HKSPC Children's Residential Home (CRH) is located in Sham Shui Po, one of the poorest neighborhoods in Hong Kong. Currently there are 100 babies and children up to the age of three living in poor ventilated and cramped conditions. The Home provides 24-hour residential care for children who have either been abandoned by their parents, orphaned, or belong to families with acute social, mental or physical health problems.
